SHOWGROUP

The Avenue D Showgroup is a small performance group of dedicated students. The students who are invited to participate in this group are extremely committed to developing their dance technique and performance quality by learning a wide variety of styles. They have been carefully selected after much observation in class; their attendance, attitude and behaviour are also important factors. This group has been afforded some wonderful opportunities over the past few years, including performances at the Sydney Royal Easter Show, a spot on Channel 7's Weekend Sunrise, and as part of the Pre-Show Entertainment for Carols in the Domain.

Please know that I am always observing the children in class for dedication, punctuality, attitude, grooming and sportsmanship. Avenue D students will be given opportunities when they show a readiness for it. I realise that some students will prefer not to have this extra commitment and would rather have casual dance lessons. I also work to provide all Avenue D students with performance opportunities throughout the year.
